

Aberdeen in Recovery Inclusion Statement

Aberdeen in Recovery's mission is to be a bridge from dependence to independence.

As a Lived Experience Recovery Community, we recognise growth through building recovery capital and developing resilience. That is why we encourage applications from people who have lived experience of substance use and recovery.

We commit to creating a working environment promoting dignity and respect for all. Where individual differences and the contributions of everyone are recognised and valued. To be diverse and inclusive and a place where we can ALL be ourselves.
